

Activities Report

2007/8

For the Pleasure of Allah

Maahad Daawah Organization

AMIRS MESSAGE:

Al-hamdulillah, through the grace of Allah (Subhanahu Watallah), the support from you and other well wishers the organization continued its annual programs and projects.

Our priority still remains development of our educational institution at Alfurqan Training Institute, Maili Tisa centre. We have initiated the construction of Library/Conference hall with your support and prayers.

We are also close to accomplish two fully funded mosque projects in Mumias Makunga and Centre Kwanza Mosque near Kitale.

Another development achieved this year was the establishment of Tiba Medical Centre in partnership with Dr. M.R.Khan.

Our welfare program for widows was also strengthened with interviews and site visits conducted for verification purposes. After the post election skirmishes, a welfare kitty was introduced in conjunction with Ummah foundation to provide necessary provisions for the Internally Displaced People.

Detailed reports for various projects have been given with our projected expenditure.

We pray for your continued support, suggestions and comments.

Wabillahi Tawfiq

Hafiz Ishak Ismail Ahmed
Chairman
