

amount to the institute.

Various Mosques and Madrassa were also assisted during the same period.

CENTRE KWANZA MASJID

Due to the skirmishes during the Post Election period, construction had stalled. Alhamdulillah with the situation under control, the work has progressed satisfactorily with the completion expected soon.

The Masjid is situated at Centre Kwanza approx 15 kilometers from Kitale Town.

MUMIAS MAKUNGA MASJID

The Masjid is situated near Mumias Town, in Western Kenya. A dispute had risen between the local residents which delayed the construction. Work only resumed after the inhabitants disagreement and the Election conflict was settled. The Mosque has finally reached completion.

PS. Both Masjid projects were fully funded by donors prior to commencement of the project.
