

INTERNALLY DISPLACED PEOPLE VICTUALS DISTRIBUTION IN CONJUNCTION WITH UMMAH FOUNDATION

- a) Following the post election violence which rocked the country in early January 2008, M.D.O. was at the fore front in conjunction with Muslim Organizations such as Ummah Foundation in assisting the I.D.P's.
- b) Our members were actively involved in distributing the aid to I.D.P's located at Tigoni Police and various other places.
- c) The items for distribution at Tigoni Police included 100 kg sugar, 720 kg maize flour, 50 liters cooking oil, 10 kg tea leaves, 200 kg unimix for children, 5 no. super basins, 10 no. 20ltr buckets, sanitary pads for women, fresh vegetables, clothes, blankets and plastic utensils. We pray to the Almighty for more strength and motivation to do more for humanity. Ameen.

TIBA MEDICAL CENTRE

Identifying the demand for affordable quality health services in the society and the need of initiating the same within the sharia perimeters to the Muslim Ummah, Maahad Daawah Organization in partnership with Dr. M.R.Khan of Medical Dental Unit, Parkroad decided to come up with the kind of institution which will deliver the intent.

Situated at the old premises of Alfurqan Training Institute Hostel Block in Parkroad locale, the centre in its later phase will incorporate medical teaching facilities which will be offered to the needy Kenyans in order to make them self sufficient.

IDP Child at Tigoni

The institution will InshaAllah open its doors to the public in August this Year.

Your moral, financial as well as spiritual contributions towards this worthy cause will be highly appreciated.

A free dental medical camp was held on the 1st of June this year at Tiba medical centre, Parkroad. Alhamdulillah, through the grace of Allah (Subhanahu Wataala) the camp was very successful. A Total number of 75 patients turned up out of which 39 patients were given appointments to be treated Free of charge at Medical Dental Unit, Parkroad, courtesy of Dr.M.R.Khan.

The 39 cases were analyzed as follows:

- Extractions - 10 cases
- Surgery - 3 cases
- Filling - 13 cases
- Full mouth scaling - 9 cases
- Crowns - 3 cases
- Artificial denture - 1 case

Free camps of such nature specializing in different Medical fields will be held monthly at the same venue.

EDUCATIONAL BURSARIES

This time, we once again managed to sponsor 15 students in various colleges, secondary schools, including Thika College of shariah, Kenyatta University, MTC-Kisii, Ummu Salamah Institute-Kisumu, etc.

Our bursaries were also extended to Alfurqan Training Institute to subsidize the students from poor and needy families, who are not able to pay even the minimum
